Hair Transplant in Navi Mumbai: Expert Care by Dr. Ashish Davalbhakta & Dr. Aakanksha Kadam

About

Hair loss can affect confidence and quality of life. At **My Aesthetic Plus**, patients receive personalized consultations and evidence-based treatment plans from **Dr. Ashish Davalbhakta** and **Dr. Aakanksha Kadam**. The clinic offers advanced hair restoration with a focus on patient safety and natural-looking outcomes.

What Is a Hair Transplant?

A hair transplant relocates healthy hair follicles from a donor area to areas affected by thinning or baldness. The transplanted follicles continue to grow naturally, providing a long-term solution for many suitable candidates.

Why Choose My Aesthetic Plus?

• Personalized treatment plans
• Experienced plastic and cosmetic surgeons
• Modern techniques and patient-focused care
• Comprehensive consultation and follow-up
